

C1 - Mask with
nose-seam
Kids
cut 4 times

1. Cut pattern 4 times.
2. Sew CF seam on each pair.
3. Iron open CF seam, and topstitch on each mouthpiece.
4. Starting from the one side, sew pieces together right sides facing all around leaving one side open for turning.
5. Turn over, iron seams open and topstitch all around.
6. Close the side opening and turn over the sides leaving a tunnel opening for the bias or elastic band.
7. Measure the desired length on each side to go over the ears (e.g. 20-22 cm)
8. Close the bias or elastic band and pull the seam inside the tunnel
